

THE LAW OF INTUITION

*Leaders Evaluate Everything
with a Leadership Bias*

**Not everyone is intuitive in the area of leadership,
but everyone possesses intuition.**

Is LEADERSHIP on your list of strengths?

What is your STRONGEST talent?

**Do you know something is “right” even before you have
any evidence?**

**Not everyone is intuitive in the area of leadership,
but everyone possesses intuition.**

Who you are dictates what you see.

If you “wanna see more... BE more!”

**A leader has to read the situation and know instinctively
what play to call.**

You cannot teach what you do not know.

EXERCISE YOUR INTUITION

Arrange a meeting with each person you will coach. Let them talk. Listen. Observe. Feel their feelings.

Create a sheet for each person. Write down all that you hear and see. Study it.

Become intuitive to their thoughts and needs. Study. Navigate. Report.

EXERCISE YOUR INTUITION

3 Levels of Leadership Intuition:

1. Those who naturally understand leadership
2. Those who can be nurtured to understand leadership
3. Those who will NEVER understand leadership
