THE LAW OF THE INNER CIRCLE

A Leader's Potential Is Determined by Those Closest To Him

Your leadership potential is increased through a team effort

Who is closest to you?

Who is your team?

Leaders have to deliver. There is no substitute for performance.

But without a good team, they don't often get the opportunity.

Who in your "team" can make a difference?

Building A Team

Who do you need to complete your leadership excellence?

List the people you want on your team, that can add to your goals, and in return, add to their goals.

Are you intentional in your relationship building?

Are you a “Lone Ranger” leader?

THE LAW OF THE INNER CIRCLE

A Leader's Potential Is Determined by Those Closest To Him

Building A Team

Do the people in your inner circle possess the strengths in your areas of weakness?

Do you have an assistant? If not, why not?

Are you surrounding yourself with people who LEAN or people who LIFT?

Chemistry....team chemistry.
